

Environmental Education Award Nomination Form

The Hendricks County Solid Waste Management District is dedicated to promoting recycling, waste reduction and responsible waste management within Hendricks County. The District recognizes that many individuals in the community make a difference everyday by advancing these same values. In honor of those whose actions make a difference in our community and positively impact our environment, the District has established an Environmental Education Award.

Nominees should be those that make a difference in the classroom and/or community by teaching and encouraging others to reduce, reuse, recycle and properly manage household hazardous wastes.

This form must be completed and submitted to the Hendricks County Solid Waste Management District by October 31, 2010 to be considered. The award recipient and a guest will be invited to a dinner prior to the District's December Board Meeting on December 21, 2010 at 6:00p.m. The award will be presented during the meeting.

Contact Person: _____ Telephone Number: _____

Nominee Name: _____
