

## ClearStream Recycler Loan Program

The Hendricks County Solid Waste Management District is now loaning ClearStream Recycling units to organizations hosting special events!

- The recyclers are easy to set-up and tear down and are a great way to recycle all of those drink containers that would otherwise be thrown away.
- They are perfect for fairs, festivals, reunions, company functions, athletic events, workshops and other special events.
- District staff will gladly assist you in planning how to optimize recycling during your next indoor or outdoor event.
- There is no fee to use the frames or the bags. Organizers are responsible for recycling the materials collected. A refundable deposit will be required.
- To reserve ClearStream Recycling units for your next event fill out the form on the back of this page.
- Questions? Call the District office at 745-9130.
